## DIRECTOR'S PAGE

Here is the second PHSSL newsletter for 2015-2016. Most of the information in it deals with the District and State tournaments. **Do** pay attention to the established deadlines (all reported earlier in the first newsletter of this year-- and again repeated in this edition of the newsletter). **See CALENDAR.**

All District Chairpersons should let me know how many pins and certificates are needed for their District Tournaments, and I'll see you get them. **Remember: Membership dues to the State Office are due no later than February 1. If dues are not in by the February 1 date you may NOT participate in Districts.** PHSSL will be supplying each District with a Sweepstakes award to be presented to the Most Outstanding School. Since District points are not considered in the tabulation of state awards, the creation of this District Sweepstakes Award was established. We are asking each District Chair to review the Checklist at the end of the District Bylaws section of the Binder. Also, the District Chairs are to announce the State Tournament qualifying students at their tournament so the students and schools know they are eligible to attend the State Tournament and can submit their registration form in a timely manner. **Remember: March 25 is the deadline for schools to register for the State Tournament.** No paper registrations will be accepted, **you must register through [www.Tabroom.com](http://www.Tabroom.com).** See CALENDAR.

At this year's State Tournament on Friday evening, several events will be held at the Selinsgrove High School and Selinsgrove Elementary School (busing provided). There are a number of changes regarding the location of each event on Friday evening, and some changes on Saturday. We ask that you be sure to consult the schedule in your program to be sure you are reporting to the correct locations. The tentative schedule is included in this issue and subject to change.

Let me remind everyone that the Executive Board will be holding its semi-annual spring meeting at Susquehanna University on Thursday, April 7. If you have any matter to be brought to the Board's attention, please communicate with your Board representative or let me know about the matter so it can be placed on the meeting's agenda. This particular Board meeting mainly discusses State Tournament concerns, and other matters are postponed until the July meeting.

**Remember:** (1) All Cross-X debate teams must be registered not later than 12:00 noon--those who aren't will forfeit Round I; (2) school codes will be dropped for the tournament; and (3) food items will be for sale at the Selinsgrove Area High School and Selinsgrove Area Elementary School for those participating in the events scheduled there on Friday evening.

I hope that all the tournaments, local and District, held in the next number of weeks turn out to be excellent ones! Again, thank you for all the extra and time-consuming work you put into forensics. The students and schools do really appreciate it! Hope to see you at the State Tournament in the spring.

### IMPORTANT INFORMATION:

- **Policy Debate may ONLY enter two two-person teams from Districts to the State Tournament.**
- **Informative and Persuasive Speaking: "Prior to each PHSSL tournament the student must send a copy of the speech, a bibliography, and a cover sheet signed by the student and coach declaring the speech to be original." See B7.6 & B8.6.**
- **Register for State Tournament through [www.Tabroom.com](http://www.Tabroom.com) ONLY. No paper copy will be accepted by the State Office.**
- **The PHSSL Handbook has been updated. Please be sure to visit the PHSSL website ([www.phssl.org](http://www.phssl.org)) to locate forms.**
- **A page has been added to the website so schools can check the status of their membership and insurance requirement to participate in PHSSL events. If you are advancing to the State Tournament, please be sure that your insurance liability certificate has been provided to the state office prior to the tournament date.**
- **Congress bills will be made available on the PHSSL website by March 1<sup>st</sup>. If you are participating in either the Senate or House events, please see the PHSSL website for Student Congress assignments and legislation pieces.**

# PLAIN TALK ABOUT STUDENT CONGRESS BILLS AND RESOLUTIONS

(Prepared by Peggy Madden and Alice Ursin)

In order to participate in the Student Congress held during the State Tournament, a school (not a student) must submit a bill or resolution by the date listed on the PHSSL Calendar.

Bills and resolutions submitted to PHSSL should be original to your school and not something you found at another student congress.

It is important that bills and resolutions follow the proper format. Hybrids (half bill/half resolution) are not acceptable.

## RESOLUTIONS

Resolutions answer two simple questions:

1. Why do we want to do something?
2. What is it we want to do?

The WHY is expressed through whereas clauses which begin the resolution. If you were to substitute the word "because" in place of "whereas" at the beginning of each clause it would read smoothly, but the language of Parliamentary Procedure requires you use the word "Whereas."

The resolution ends with a statement that begins with "Therefore, be it resolved by this PHSSL State Student Congress here assembled that . . ." and simply explains what it is you wish to do. A resolution may consist of just this statement and not explain why.

Resolutions may suggest change (but you need not indicate how) or may be written to support the status quo, to praise a person or event, to chastise, or to offer a proclamation.

## BILLS

Bills answer many questions:

1. What is it we want to do?
2. How will we do it?
3. Who will administer it?
4. When will we start to do it?
5. How will it be financed?
6. How will it be enforced?
  - A. By whom?
  - B. Do we need penalties if people don't comply?
  - C. What will these penalties be?

Bills do not explain why, and so they begin immediately with the clause "Be it enacted by the PHSSL State Student Congress here assembled that . . ." Sections that follow answer the necessary questions listed above. It is not always necessary to answer all of the questions listed nor in the order listed.

Bills do not suggest; they mandate change, and if enacted (passed), have the power of law.

The CONGRESS WORKSHEET on the following three pages should help you in preparing a good bill or resolution for the PHSSL State Student Congress.

**WORKSHEET FOR PREPARING  
CONGRESS BILLS AND RESOLUTIONS**

So.....you want to write a bill. **DECIDE**, is it something that you want to be definite and have the force of law **OR** are you merely stating a conviction and saying "Wouldn't it be nice if....?"

**HOW TO BEGIN:**

**LOOK AROUND YOU, READ AND WATCH THE NEWS.** Is something troubling you about our society, our foreign policy, our morals, etc. **THEN:**

I.     **STATE THE PROBLEM:** \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

II.    **WHY IS THERE A PROBLEM? ARE THERE ANY CONTRIBUTING FACTORS? WHAT'S HAPPENING?**  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

III.   **WHAT CAN BE DONE ABOUT IT? ARE THERE PENALTIES IF THE LAW IS VIOLATED? IF FINANCING IS NEEDED, HOW WILL IT BE DONE? WHEN WILL THE LAW TAKE EFFECT?**  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

**NOW YOU'RE READY TO BEGIN**

First write a resolution. Begin with WHEREAS clauses. Whereas clauses are where you build your rationale. Use Parts I and II to help you. Conclude with BE IT RESOLVED...using Part III.  
What can be done?

1. WHEREAS: \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_

4. WHEREAS: \_\_\_\_\_

5. \_\_\_\_\_

6. \_\_\_\_\_

7. WHEREAS: \_\_\_\_\_

8. \_\_\_\_\_

9. \_\_\_\_\_

10. WHEREAS: \_\_\_\_\_

11. \_\_\_\_\_

12. \_\_\_\_\_

13. WHEREAS: \_\_\_\_\_

14. \_\_\_\_\_

15. \_\_\_\_\_

16. THEREFORE, BE IT RESOLVED by the PHSSL State Student Congress here assembled that:

17. \_\_\_\_\_

18. \_\_\_\_\_

19. \_\_\_\_\_

20. \_\_\_\_\_

Perhaps you feel more strongly about the issue. You feel that "THERE OUGHT TO BE A LAW!" – O.K. Write one! Use Part III to write your ENACTMENT sections. Penalties, financing, and when the bill goes into effect will be in the last section. What you want the law to be are in the first sections.

BE IT ENACTED by the PHSSL State Student Congress here assembled that:

1. Section 1: \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_

4. Section 2: \_\_\_\_\_

5. \_\_\_\_\_

6. \_\_\_\_\_

7. Section 3: \_\_\_\_\_

8. \_\_\_\_\_

9. \_\_\_\_\_

10. Section 4: \_\_\_\_\_

11. \_\_\_\_\_

12. \_\_\_\_\_

13. Section 5: \_\_\_\_\_

14. \_\_\_\_\_

15. \_\_\_\_\_

16. Section 6: \_\_\_\_\_

## **The PHSSL Board has amended the Technology Policy. Below is the amended statement on technology:**

Being able to collect and organize current data is an important skill in today's digital environment. We believe that having the opportunity to use digital resources and synthesize information taken from them to make the best speeches and arguments possible will provide practice in a valuable skill that cannot be matched in any other academic situation.

The use of electronic retrieval devices is permitted in all PHSSL events. This ruling is not meant to imply that any student must use electronic devices, merely that it is now permitted.

- This includes the retrieval -- in preparation rooms and during rounds -- of stored data and, if possible, the online retrieval of current information.
- This includes using digital resources to flow debates and to prepare speeches.
- This includes using digital resources to time debates and speeches.

No guarantee of power or of Internet connectivity should be presumed. There should be no expectation placed on host schools to provide either of these resources. Students wishing to use digital devices must be responsible for providing these resources and for having an alternative plan if the digital devices fail.

Digital communication between speakers and persons outside of the competition event or room is not permitted. PHSSL's intent is similar to its rules under Cross-Exam Debate and under the Preparation Room Procedures for Extemporaneous Speaking and Commentary: consulting with a coach or anyone outside the competition room once the competition has begun will result in disqualification from the competition.

## Public Forum Judge Guidelines

### During the Tournament

- Check the schedule
  - Public Forum rounds run on a slightly different schedule than the rest of the tournament.
- Check the judge list
  - All of the judges we will be using for rounds 3 and 4 are listed on the schematic.
  - We cannot tell you which rooms you will be judging in until after we pair the debates for that round.
    - However, if your name is listed, you will be judging that round and will need to pick up ballots at the appropriate times.
- Elimination Rounds (States Only)
  - Judges will be posted with the general speech pools for early and later elimination rounds.
    - Check the schedule and make sure you check the postings to see if you are judging an elimination round.
    - Do NOT leave the judge lounge.
  - Early judging pool assignment may mean either Quarter-Finals or Semi-Finals.
  - Later judging pool assignment may mean Finals.

### Before the Debate Begins

- Verify that the two teams that are supposed to debate are actually in your room.
- Make sure the correct number of judges are present {States only)
  - Two judges should be present for preliminary rounds.
  - Three judges should be present for Quarters and Semis.
  - Five judges should be present for Finals.
- Have the teams do the coin flip and choose sides and order of speaking only after both judges are present (States only).
- Write the names of the debaters for each team on the correct side, Pro and Con, of the ballot.
  - If it helps to have the Pro team on the left side of the room and the Con team on the right side, in order to match the ballot positions, you may ask the teams to arrange themselves that way.
  - **Make sure** you know which team is going **first** and which team is going second.
- Decide which judge is keeping time in the round.
  - Debaters may have their own timers; however, at least one judge in the round **MUST** keep official time for each of the speeches or crossfires in the round.
  - Determine how time signals are going to be given – This is an absolute must.
- Determine how prep time is going to be signaled and who is going to keep track of it.
  - Verbally telling when each 30 seconds has passed is the normal way to do this.
  - Keep track of how much each TEAM uses throughout the debate.
    - They get a maximum of 2 minutes throughout the entire debate.
    - They do not have to use it.

### During the Debate

- Be a tabula rosa, blank slate, during the debate.
  - Do not bring any personal arguments or personal opinions in to the debate.
  - Only decide on issues based on what is presented in the debate and how it is presented.
- Give time signals when necessary.

First Pro Speaker	4 minutes
First Con Speaker	4 minutes
Crossfire	3 minutes
Second Pro Speaker	4 minutes
Second Con Speaker	4 minutes

Crossfire	3 minutes
Summary – First Pro Speaker	2 minutes
Summary – First Con Speaker	2 minutes
Grand Crossfire	3 minutes
Final Focus – Second Pro Speaker	2 minutes
Final Focus – Second Con Speaker	2 minutes

Each team will have a total of 2 minutes of preparation time throughout the debate.

- Students must stand during all speeches and crossfires.
- Write the ballot as the round progresses.
  - The debates move quickly and you will most likely forget comments you wanted to put down if you wait until the end of the round to write it down.
  - This saves down time at the end of the round.
  - You should only have to write your reason for decision at the end of the round.
  - Write in ballpoint pen because it needs to transfer through two sheets of paper.
- Write down major arguments as the round progresses.
  - This may help you make your decision at the end of the round.
  - This may help you follow the organization of each debate team.

#### At the End of the Debate

- Thank the participants for debating.
- Write a clear reason for your decision.
  - You are allowed to vote on any aspect(s) of the debate round that you want.
- Do not converse with the other judge(s) in the room. (States and Tie Breaking rounds at Districts)
- Fill in all of the boxes with the letters.
- Sign the ballot.
- Flight A judges need to vacate the room ASAP so that Flight B can start on time. (States only)
- Return the ballot to the tab room immediately after the round.
  - It should take no more than five minutes after the round for you to finish writing the ballot.
